# Ekra Pedestals

---

Thanks to their multiple finishes, Ekra Pedestals integrate perfectly with the Auraa Design operative lines and contribute to the organization of spaces in a functional way.

## Ekra Pedestals **TECHNICAL FEATURES**

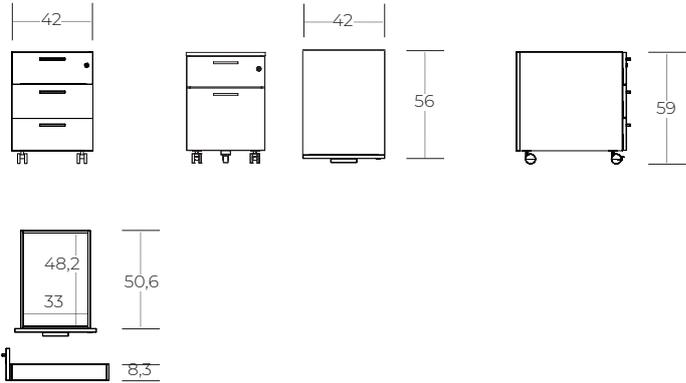

---

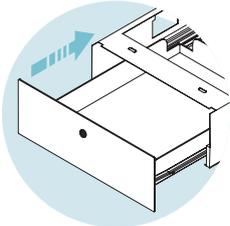

### • Ekra Pedestals:

Structure and drawer fronts: in 18 mm-thick melamine chipboard, covered with decorative paper impregnated with melamine resins (density 620Kg/ cu.m. class E1, with low formaldehyde emission conforming to EN standards, class 2 reaction to fire) with 1 mm-thick solid wood edges, round ed with 2 mm radius. The structure is in the same finish and colour as the fronts and top. The fronts are equipped with aluminium-coloured ABS handles; the simple centralised cylindrical Yale type lock with a folding key grip allows the drawers to be simultaneously locked with a vertical metallic rod. Black melamine drawers are 4 sided, jointed directly onto the melamine front. The drawers are fitted with metal, easily extractable guides sliding on self-lubricating roller wheels. Including anti-tilt system.

**Ekra Pedestals CONSTRUCTION FEATURES**

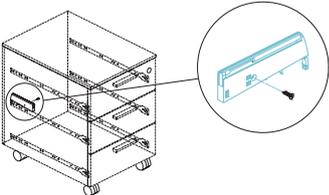

**Ekra Pedestals ACCESSORIES**

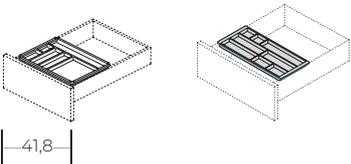

**• Soft-close System:**

It is a kit that can also be purchased at a later time. To be fitted directly into the drawer guide by means of a quick coupling and no. 1 self tapping screw.

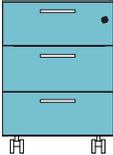

**• Stationery tray**
