Environmental

Recycled Content

Recyclable Content

Recycled content includes pre and post consumer content. Manufactured using 87% renewable resources. Cardboard packaging used to package steel components are 80% recycled and 100% widely recyclable.

Giovan is a collection of meeting and poseur tables designed with modern working practices in mind.

Some key features include:

- Robust powder coated steel under-frame
- 25mm or 36mm MFC top options
- Compatible with power, data & media options
